Operations Report — May 2026

Prepared by: Priya Nair | Report ID: OPS-MAY-26 | Issued 02 June 2026

Regional summary

Region	Open tickets	SLA breaches	Completed visits
Bellmere	18	2	146
Redhaven	11	1	93
Oakridge	7	0	71
Northbridge	5	1	48

Observation: two Bellmere SLA breaches were linked to parts availability. The Northbridge breach was caused by a customer-requested reschedule.

Note: A preliminary spreadsheet circulated on 30 May listed Bellmere as having 3 breaches; the figure above is the corrected value after duplicate ticket INC-7801 was removed.
